

Medical Robotics Week 2021

Basel,
Switzerland

Hybrid
Conference

MRW2021

Interdisciplinary
Conference Workshop:

Robotics in Nursing

11th of June 2021 at
Alte Universität, Rheinsprung 9,
Basel, Switzerland

Focus:

- To provide an overview of the current state of science on robotics in nursing.
- To showcase and discuss examples of practical applications of robotics in nursing in Swiss health care and beyond.
